---

Dear Highbluffs Residents,

We hope this message finds everyone well. The officers of the Olentangy Highbluffs Community Association would like to inform you that at our April 1st meeting, it was announced that a transition plan has been put into place that would allow the current executive committee to step down from their leadership positions by the end of the 2024 calendar year.

This decision was not made lightly. We love this neighborhood and have developed some amazing relationships with many of you. We still plan to participate and engage in community affairs, but we believe it's time for new perspectives and fresh energy to guide our neighborhood forward, and we believe this plan will help ensure continuity and sustainability in our operations.

It has been a rewarding experience working alongside all of you for nearly a decade to enhance our community. Over the years, we have celebrated accomplishments, tackled challenges, and fostered a sense of unity that truly makes our neighborhood special.

As the initial step in this transition plan, the membership unanimously voted to appoint new officers to key positions within the executive board. We are delighted to announce that Clay McClatchie has been elected as our new Secretary, and Bobby Bair has been appointed as our new Vice President.

Furthermore, it is the intent that Bobby and Clay will run for the office of President and Treasurer in 2025. James DeFrancesco will remain as Treasurer, and Micah Conley will remain as President through the end of 2024 to assist with this transition and to allow time for the new officers to assemble a leadership team.

We would like to take this opportunity to express our deepest gratitude to the outgoing officers, Pam Turnwald and Erin Campbell, for their invaluable contributions and dedicated service to our neighborhood during their tenure. Their leadership, guidance, and unwavering commitment have played a pivotal role in shaping the success and growth of our neighborhood.

Thank you to everyone who has supported us over the years. Your commitment to our neighborhood has made a lasting impact, and we are confident that Highbluffs will continue to thrive with our new leadership and your ongoing support!

Sincerely,

Your OHCA Executive Committee
